

Tramwaje Warszawskie sp. z o.o. (Warsaw Trams, a limited liability company), provider of public transport with 150 years of experience, guided by the principles of economic, social and ecological responsibility, presents

WORK PLACEMENT OPPORTUNITIES FOR INTERNATIONAL STUDENTS IN THE ACADEMIC YEAR 2018/2019

We are pleased to invite students on technical programmes (mechanics, electrical engineering) and logistics to complete a compulsory work placement in the "Praga R-2" Transport Operator Facility. The placement is unpaid.

Period: the whole year (negotiable)

What do we expect of you?

- Knowledge of English or Russian (knowledge of Polish will be an additional asset)
- Unlimited availability (between 7 a.m. and 3 p.m.).

What do we provide?

The opportunity to

- become familiarised with the technologies used by a transport company
- get to know the inner workings of the "Praga R-2" Transport Operator Facility, fleet management, and the role of tram transport in the public transport system of Warsaw
- participate in the implementation of the tasks of the "Praga R-2" Transport Operator Facility (in line with your field of study), including performing basic process analyses within the scope of the work placement
- get to know the information systems used by the above-mentioned entity.

Please send in your applications, together with a CV, to the email address:
